Sir:

Rita Medical Systems, Inc., Assignee of

- ☐ an undivided share of the entire right, title, and interest
- ☒ the entire right, title and interest

in the above-identified patent application by virtue of an Assignment recorded in the U.S. Patent and Trademark Office at Reel 9087, Frame 0481, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term defined in 35 USC §154 to §156 and §173, as presently shortened by any terminal disclaimer, of

U.S. Patent No. 5,728,143 issued on March 17, 1998.

The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the above-listed patents and/or patent applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC §154 to §156 and §173 of the above-listed patents and/or applications, as presently shortened by any terminal disclaimer, in the
